

## BULKCONTAINER COLLECTION REQUEST FORM

If you wish to have the used IBC's disposed off through a Collect Service, please complete this form and email it to:- [sales@vikramplast.com](mailto:sales@vikramplast.com) / [sales1@vikramplast.com](mailto:sales1@vikramplast.com)

The collection of the IBC's is subjected to the following conditions.

- (1) IBC's need to be intact with all the original conditions in operating condition.
- (2) IBC's should be free of any residue of the filling good.
- (3) IBC's should be free of damage in any form.
- (4) The client must give material safety data sheet (MSDS).
- (5) Last filled-in goods Details must be specified on the container.
- (6) Collections shall be made for a minimum of 24 IBC's.
- (7) Due to the non-fulfilment of the above conditions, the Collect Services has the right to refuse collection or return the IBC's at the expenses of the party. Reimbursement has to be done for the expenditure incurred including the transportation charges. Such IBC's will have to be disposed off by user independently.
